Printed on Recycled Paper
Be environmentally friendly this holiday season. Check out the tips below on what to do with corrugated cardboard, wrapping paper and Christmas trees.

**Corrugated Cardboard Boxes**

Corrugated cardboard boxes can be recycled if they are flattened and free of all “peanuts.” Curbside customers can place flattened boxes beside their curbside recycling bins. Residents may also bring their cardboard boxes to any drop-off recycling container labeled “Corrugated Cardboard (OCC)”.

**Wrapping Paper & Gift Boxes**

Gift boxes and non-metallic wrapping paper can be recycled. CCRRA curbside recycling customers can recycle their gift boxes, non-metallic wrapping and tissue paper with their curbside recyclables. Please bag these with mixed paper. Non-curbside customers wishing to recycle gift boxes, non-metallic wrapping paper and tissue paper can bring it to any drop-off recycling container labeled for “Mixed Paper.”

For a recycling drop-off location nearest you, call our office at 238-7005 or visit our website, www.centrecountyrecycles.org.

**Christmas Trees**

Be sure to check with your local municipality for Christmas tree recycling options.

**Buy Recycled This Season**

Purchase holiday cards and wrapping paper that are labeled “made from recycled material” or labeled made from “post-consumer” recycled material. Look for at least 30% recycled content.
